

International MSc Computer Science Regulations

Academic year 2026-2027 | Sample admissions document

1. Admission Requirements

International applicants seeking admission to the MSc in Computer Science must submit a complete application. Incomplete applications will not be evaluated by the admissions committee.

- A recognized bachelor's degree in Computer Science or a closely related field.
- Official academic transcripts showing completed courses and grades.
- Proof of English proficiency, such as an accepted language certificate.
- A valid passport identification page.
- A formal degree recognition statement when the previous degree was awarded outside the country.

Applicants may be asked to provide certified translations when documents are not written in English.

Requirement	Minimum standard
Previous degree	Bachelor's degree or equivalent
Academic background	Computer Science or related discipline
Language evidence	Valid English proficiency certificate
Identity evidence	Current passport

Document reference: NU-GAO-MS-C-2026

2. Scholarship Application Rules

Students who want to be considered for a Northbridge Graduate Scholarship must submit the standard admission documents listed on page 1 and the additional scholarship materials below.

- A motivation letter explaining academic goals and reasons for requesting financial support.
- Two recommendation letters from academic or professional referees.
- A current curriculum vitae describing education, projects, employment, and relevant achievements.
- A brief research-interest statement of no more than 1,000 words.

Scholarship applications are evaluated separately from admission applications. Receiving an offer of admission does not guarantee scholarship funding.

Selection criteria

Criterion	Weight
Academic performance	40 percent
Motivation and goals	25 percent
Recommendations	20 percent
Research potential	15 percent

Only documents uploaded through the official application portal before the scholarship deadline will be reviewed.

3. Deadlines and Submission

Applicants are responsible for submitting every required document before the applicable deadline. The portal records deadlines in Central European Time.

Application type	Deadline
International admission	30 June 2027 at 23:59 CET
Graduate scholarship	15 May 2027 at 23:59 CET
Late supporting documents	Not accepted

Submission procedure

- Create an account in the Northbridge University application portal.
- Complete the online MSc Computer Science application form.
- Upload each supporting document as a readable PDF file.
- Review the application summary and submit the application before the deadline.
- Keep the confirmation email and application reference number.

Questions about document recognition should be sent to the Graduate Admissions Office at least four weeks before the admission deadline.

Important notice
